### **AN INVITATION TO PARTICIPATE!**

All classes and/or your individual students are invited to participate in our “Ending Violence Against Women Challenge” by submitting a product that demonstrates an understanding of the issues and ways to commit to putting an end to gender-based violence.

Consider incorporating the challenge into your curriculum. The products could include spoken word poetry, short stories, speeches, visual arts, drama presentations, song, dance, graphic arts, poster campaigns, or any multi-media projects. The possibilities are endless.

We are asking that the challenge be launched with students on or around November 25<sup>th</sup> and all products are submitted by December 20<sup>th</sup> at 4:00pm. The winners will be selected by committee and announced in the new year before the semester ends.

A prize of up to \$500.00 has been secured and will be split into individual prizes based on the number and quality of entries we receive.

Please forward your submissions either digitally, through DDSB courier to the District 13 Office or we can make arrangements for it to be dropped off at the office.

Please ensure that the submission includes a full name and school!
