

## **Violence Against Women Campaign**

In recognition of the UN's 16 Days of Activism Against Gender-Based Violence that runs annually from Nov 25 to Dec 10 and the National Day of Remembrance and Action on Violence Against Women on Dec 6, D13 is providing a resource package for Secondary Schools via courier to Branch Presidents and Human Rights Committee members. The package will include:

- \*Instructions and general information to guide events in schools
- \*Power Point available on our website for teachers to use
- \*Details on a digital white ribbons activity
- \*Posters to display
- \*White ribbons for every staff member
- \*Moose Hide Pins for roughly ½ of the staff members
- \*An ally pledge activity and pledge sheet per school
- \*Violence Against Women – Student/Class Challenge

We are encouraging all male secondary staff to take a lead on this very important initiative and demonstrate their true ally capacity to work to end all forms of violence against Women!

***Important Note: Teachers are encouraged to know their student body and determine the best approach to running a violence prevention program (as a whole school or individual classrooms). Context and discussion must accompany any program delivery!***
