RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement (LOA), all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The OSSTF-EW shall request inclusion into the OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust") within fifteen (15) days of central ratification. Should OSSTF-EW fail to reach agreement, consistent with the parameters contained herein, by January 15, 2016, the parties to this LOA will meet to consider other options.

The parties to this LOA agree to comply with the Trust's requirements. The provisions of the agreement between OSSTF-EW and OSSTF shall be reflected in the OSSTF trust participation agreement. The provisions contained herein shall be applicable to OSSTF-EW within the Trust.

The Participation Date for OSSTF-EW shall be no earlier than September 1, 2016 and no later than August 31, 2017 and may vary by Board.

1.0.0 GOVERNANCE

1.1.0 OSSTF-EW shall be a separate division within the Trust and accounted for separately.

1.2.0 The parties confirm their intention to do the following:

a) Provide education workers access to the same plan as that of the teacher's plan.

b) Take necessary actions in accordance with the Trust agreement for any period in which the claims fluctuation reserve is less than 8.3% of annual expenses over a projected three year period.

2.0.0 ELIGIBILITY and COVERAGE

2.1.0 The following OSSTF-EW represented employees are eligible to receive benefits through the Trust:

2.1.1 Employees who are covered by the Local Collective Agreement and currently eligible for benefits in collective agreements.

2.1.2 Retirees who were, and still are, members of a District School Board hereinafter referred to as the "Board(s)" benefit plan at August 31, 2013 based on the prior arrangements with the Board.

2.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board Participation Date are segregated in their own experience pool, and the premiums are fully paid by the retirees.

2.1.4 No individuals who retire after the Board Participation Date are eligible.

2.2.0 The benefit plan may provide coverage for health (including but not limited to vision and travel), life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support, subject to compliance with section 144.1 of the ITA. Other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

2.3.0 Each Board shall provide to the Trustees of the OSSTF ELHT directly, or through its Insurance Carrier of Record, Human Resource Information System (HRIS) information noted in Appendix A within one (1) month of notification from the Trustees, in the format specified by the Trustees.

3.0.0 FUNDING

3.1.0 Start-Up Costs

3.1.1 The Government of Ontario will provide:

d. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve ("CFR"). The amount shall be paid to the Trust on or before September 1, 2016.

e. A one-time contribution of 2.6% of annual benefit costs (estimated to be approximately \$1.25 million), to cover start-up costs and/or reserves.

3.1.2 The one-time contributions in 3.1.1 (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015. The statements are to be provided to the Ministry of Education.

3.1.3 The Crown shall pay \$600,000 of the startup costs referred to in s. 3.1.1 (b) on the date of ratification of the central agreement and shall pay a further \$600,000 subject to the maximum amount referred to in s. 3.1.1 (b) by June 1, 2016. The balance of the payments, if required under s. 3.1.1 (b), shall be paid by the Crown on the day the Trust becomes effective. The funds shall be transferred as instructed by OSSTF-EW subject to the province's transfer payment and accountability requirements.

3.2.0 On-Going Funding

- 3.2.1 On the day the Board commences participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Board's surplus will be retained by the Board.
- 3.2.2 Where there are active grievances related to surpluses, deposits and/or reserves, the amount in dispute shall be internally restricted by the Board until the grievance is settled.
- 3.2.3 All Board reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 3.2.4 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Board. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Board's annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Board upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Board and the Trust based on the employers' and employees' premium share.
- 3.2.5 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
- a) If available, the paid premiums or contributions or claims costs of each group; or
 - b) Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.
- The methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.
- 3.2.6 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 3.2.7 In order to ensure the fiscal sustainability of said benefit plans, the Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties' understanding that the Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

- 3.2.8 The Trust shall retain rights to the data and the copy of the software systems.
- 3.2.9 For the current term, the Boards agree to contribute funds to support the Trust as follows:
- a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. By August 31, 2016 for Board-owned defined benefit plans, the Boards will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting, auditing and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement, and if any, premium costs on other district school area board, for the year ending no later than August 31, 2015. The aforementioned statements are to be provided to the Ministry of Education.
Total Cost excludes retiree costs and casual employee costs.
The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with this clause.
 - ii) For purposes of i) above, the FTE positions will be those consistent with Appendix H of the Education Finance Information System (EFIS) for job classifications that are eligible for benefits.
 - c. All amounts determined in this Article 3 shall be subject to a due diligence review by the OSSTF-EW. The school boards shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF-EW. If any amount cannot be agreed between the OSSTF-EW and a school board, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution process.
 - i) In order that each party be satisfied that the terms of this LOA provide a satisfactory basis to deliver benefits in the future, each party reserves the right to conduct a thorough due diligence with respect to existing benefit arrangements (including benefit terms, eligibility terms, FTE positions in the bargaining unit, historic costs and trends).
Prior to May 1, 2016, if either OSSTF-EW or the CTA/Crown concludes, in good faith following its due diligence review, that the terms of the LOA do not provide a satisfactory basis for the provision of benefits then either OSSTF-EW or the CTA/Crown may declare this LOA to be null and void, in which case no Participation Dates for any Boards shall be triggered and the benefits related provisions to all agreements, as they were before the adoption of this LOA, shall remain in full force and effect.
 - ii) Prior to September 1, 2016, on any material matter, relating to Article 3.2.9 (b), OSSTF-EW or the CTA/Crown can deem this LOA to be null and void. No

Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this LOA, shall remain in full force and effect.

- d. On the participation date, for defined benefit plans, the Boards will contribute to the Trust \$5,075 per FTE.
- e. The actual cost of the benefit plan shall be determined based on a cost per FTE reconciliation process that will be completed 18 months after the last board's Participation Date. Based on this reconciliation process, if the actual cost in the aggregate is less than \$5,075, the funding per FTE amount will be adjusted to reflect the lesser of the two amounts.
- f. On the Participation Date, for defined contribution plans, the board will contribute to the Trust, the FTE amount of \$5,075. In 2015-16, for Federation owned plans, if the following three conditions are met:
 - i) there is an in-year deficit,
 - ii) the deficit described in i) is not related to plan design changes,
 - iii) the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums,then the in-year deficit in i) would be paid by the board associated with the deficit. If in 2014-15 i) and ii) above apply, and the deficit reduces the reserves and surpluses to zero, then the deficit in 2014-15 will be paid by the Board.
- g. With respect to 3.2.9 (d) and 3.2.9 (f) above, the contributions provided by the Boards will include the employees' share of the benefit cost as specified by the Board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- h. With respect to casual employees and term assignments, where payment is provided in lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the Boards for casual employees and term assignments, this arrangement will remain the on-going obligation of the affected Boards. The affected Boards will find a similar plan, for these employees, that is cost neutral to the Boards, recognizing inflationary cost as follows: plus 4% for 2015-16 and 4% for 2016-17.
- i. The terms and conditions of any existing Employee Assistance Program/Employee Family Assistance Program and Long Term Disability Plan shall remain the responsibility of the respective Board and not the Trust maintaining current employer and employee co-share where they exist. The Board shall maintain its contribution to all statutory benefits as required by legislation (including but not limited to Canada Pension Plan, Employment Insurance, Employer Health Tax, etc.).
- j. The FTE used to determine the Board's benefits contributions will be based on the average of the Board's FTE as of October 31st and March 31st of each year.
- k. Funding previously paid under 3.2.9 (b), (d) and (e) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.

- l. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and the OSSTF Provincial Office.
- m. As of the day that a Board commences participation in the Trust, the Board will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 3.2.1 (b), (d) and (e) to the Plan's Administrator on or before the last day of each month.
- n. The Trust will provide the necessary information needed by Boards to perform their administrative duties required to support the Trust in a timely and successful manner.
- o. The Boards shall deduct premiums as and when required by the Trustees of the OSSTF ELHT from each member's pay on account of the benefit plan(s) and remit them as and when required by the Trustees to the Trust Plan Administrator of the OSSTF ELHT with supporting documentation as required by the Trustees.
- p. Funding for retirees shall be provided based on the costs or premiums in 2014-15 associated with those retirees described in 2.1.2 and 2.1.3 plus 4% in 2015-16 and 4% in 2016-17. Employer and employee co-shares will remain status quo per local collective agreements in place as of August 31, 2014 or per existing benefit plan provisions.
- q. The Trust shall determine employee co-pay, if any.

- 4.1.0 Subject to the approval of OSSTF, OSSTF-EW may have representation on the OSSTF transition committee regarding all matters that may arise in the creation of the OSSTF-EW division.

LETTER OF AGREEMENT #9

BETWEEN

**The Council of Trustees' Associations/
Le Conseil des associations d'employeurs
(hereinafter called 'CTA/CAE')**

AND

**The Ontario Secondary School Teachers' Federation/
Fédération des enseignantes-enseignants des écoles secondaires de l'Ontario
(hereinafter called the 'OSSTF/FEESO')**

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act/ 2014*.

1. Pregnancy Leave Benefits

Definitions

- a) "casual employee" means,
 - i. a casual employee within the meaning of the local collective agreement,
 - ii. if clause (i) does not apply, an employee who is a casual employee as agreed upon by the board and the bargaining agent, or
 - iii. if clauses (i) and (ii) do not apply, an employee who is not regularly scheduled to work
- b) "term assignment" means, in relation to an employee,
 - i. a term assignment within the meaning of the local collective agreement, or
 - ii. where no such definition exists, a term assignment will be defined as twelve (12) days of continuous employment in one assignment

Common Central Provisions

- a) The Employer shall provide for permanent employees and employees in term assignments who access such leaves, a SEB plan to top up their E.I. Benefits. An

employee who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the employee receives from E.I. and her regular gross pay.

- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Employees in term assignments shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Casual employees are not entitled to pregnancy leave benefits.
- e) The employee must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the *Employment Insurance Act*, as amended, before SEB is payable.
- f) Permanent employees and employees in term assignments not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for the total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) Where any part of the eight (8) weeks falls during the period of time that is not paid (i.e. summer, March Break, etc.), the remainder of the eight (8) weeks of top up shall be payable after that period of time.
- h) Permanent employees and employees in term assignments who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- i) If an employee begins pregnancy leave while on approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB Plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement:

- i. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible employees. An employee who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the employee receives from E.I. and their regular gross pay;
- ii. A SEB Plan with existing superior entitlements;
- iii. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, seventeen (17) weeks at 90% pay would be revised to provide six (6) weeks at 100% pay and an additional eleven (11) weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

Where a class of employees was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties must incorporate those same provisions without deduction from sick leave in the 2014-2017 collective agreement. The top-up amount to a maximum of four (4) years and six (6) months shall be included in the 2014-17 collective agreement.

Employees who were receiving WSIB top-up on September 1, 2012 shall have the cap of four (4) years and six (6) months reduced by the length of time for which the employee received WSIB top-up prior to September 1, 2012.

For boards who did not have WSIB top-up prior to the MOU, status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of short term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For further clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. For clarity, those boards that had five (5) or less shall remain at that level. Boards that had five (5) or more days shall be capped at five (5) days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short term paid leaves shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. An Employee is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day.

The following language applies only to those employees eligible for the gratuity above:”
[insert current Retirement Gratuity language from local collective agreement]

5. Long Term Disability (LTD)

The Long Term Disability (LTD) waiting periods, if any, contained in the 2008-2012 collective agreement should be retained as written. However, to reflect current requirements, plans with a waiting period of more than 130 days shall cause the Short Term Leave and Disability Plan to be extended to the minimum waiting period required by the plan.
